

## SCUBA DIVING

The sea bottom of Lanzarote can be distinguished from other destinations by its wide variety of fish and other sea animals. Divers will be able to enjoy searching any number of volcanic caves or generally see life at one of the biggest Spanish under water nature reserves.

The diving centre has staff that speak English, German, Spanish and French.

For total beginners, 12 years and above we offer the following:

- First dive 30-40 min (trial dive, down to 5m deep) 60 €
- Second dive (trial dive, down to 10m deep) 45 €
- First and second dive in one day 85 €

If you want to become a qualified diver, you can take one of the following courses (providing that you took the first two dives with us already, there is a discount of 40 €):

### PADI or CMAS

- Scuba Diver 250 €  
(2 days includes training, books, equipment and certificate)
- Open Water Diver 380 €  
(3 days includes training, books, equipment and certificate)
- Advanced Open Water 295 €
