## WINDSURF

Windsurfing in the seaside town of Costa Teguise it is more like a life style.....

The world championships in windsurfing take place every year in July here. You will find the whole micro-world of windsurfing: the top windsurfing schools, bars and pubs where guests in "neopren" suits are welcome and last but not least prestigious surf shops with makes such as Neilpryde, JP, El Niño, Oxbow, Volcom, Bench, Quick Silver, Billabong etc....

If you have never tried windsurfing, now is the time to do so. It is not as difficult as it may seem and moreover if you fall in the water, it doesn't hurt!
